

Car Parking

NEAR THE GRAND HOTEL

The Grand Hotel can offer various options for parking.

- **The most convenient parking spaces are outside the hotel. These are pay & display metered parking. The restrictions in these spaces run from 9:00am until 6:00pm. It is free of charge from 6:00pm until 9:00am.** The hotel reception sells red permits costing **£8.00** and this covers the metered spaces from 9:00am on the day of purchase until 1:30pm the following day. Please do not use the **“loading bay”** directly outside the hotel entrance to park your vehicle. The red permits can be used in other parking areas in Scarborough, which are highlighted red on the map. ■
- The recommended alternative to this is the NCP multi story located in the Balmoral Centre on North St. It costs from **£10.00** for 24 hours (**Discount tickets available from reception**). The opening hours of the car park are 6:30am – 9:00pm Daily (**Subject to change by NCP**).
